RE: High Achievers Class

The Rivers Secondary College is committed to supporting and developing the potential of all our high achieving students with the central aim of providing the highest quality education for students in the Lismore region.

At Kadina High, Lismore High and Richmond River High Campuses, high achieving students are invited to submit an application to the High Achievers class for their zoned campus. Students will learn through a stimulating learning environment in which they can be engaged, supported and challenged to excel in all areas of academic life.

Students enrolled in the High Achievers class will be expected to demonstrate:
