

Request for Rivers Aboriginal Creative and Culture Holders Dance Performance

The Rivers Aboriginal Dance group is made up of Aboriginal students from Kadina High, Lismore High and Richmond River High Campuses and led by a team of dedicated staff from across The Rivers Secondary College. Our students enjoy working together, celebrating and sharing their Culture through dance and music. The learning and wellbeing of our students is our first priority and as such, the group may not be able to satisfy every performance request.

Criteria considered when evaluating a performance request

- Time of day and duration of performance/excursion
- Proximity to the campus sites
- Availability of staff to lead and supervise students
- Transport cost and availability

We endeavour to support requests from our

- Local partner primary schools
- Local not-for-profit community organisations
- Non-government organisations currently working with the college

Requirements for each Performance

- Dancers will need a secure place to change and prepare, 45 minutes prior to the performance
- A fee to cover student transport and the cost of staff release may be levied
